Cutting Measurements (CS = Cardstock, DSP = Designer Series Paper)

(these measurements are meant to be used alongside video and not exact directions)

Misty Moonlight CS: 8-1/2" x 8-1/2". Score at 2", 4" 8". Turn 90 degrees and cut off 1/2", saving for the pop up pieces. Cut two pieces at 2" each, leaving a 4" wide piece. The 2" panels are adhered to create two cubes. The 4" wide panel is adhered created a taller vertical cube. Pop Ups: Fold the 1/2" wide strip 4x and trim. Adhere to create a square to use for pop up. Repeat for 2nd square.

DSP: Two pieces 1-3/4" x 4" for smaller cubes. Two pieces 1-3/4" x 6" for tall cube.
